

In the frame: Fiona snapped a winner

Bondi photographer Fiona Wolf has been named as one of three winners in the annual Head On Portrait Prize for her image, *Jaqui*. 'Jaqui is a drag king,' Wolf said. 'I photographed her after her hula hoop performance at Red Rattler Theatre.' Rushcutters Bay artist Karl Schwerdtfeger was also one of the winning photographers in the prize. To see all the entries, visit the Australian Centre for Photography in Paddington, or www.headon.com.au.
